In April 2005, the Mission Hills Neighborhood Council (MHNC) was certified by the City of Los Angeles to represent the Community of Mission Hills. The MHNC acts as an advisory body to City Hall and related City agencies. The MHNC lobbies for resources and services for our community and provides a forum for stakeholders to express their views and share their ideas and concerns in order to gain understanding and tools in which to empower and better able us make a difference in our community at large. Board members are our friends and neighbors who are elected as official representatives and are entirely comprised of volunteers.

Working together with the community, Council District 7, City Agencies, Local Business', LAPD and Neighborhood Watch, the MHNC evaluates neighborhood issues as to residential character and quality of life, schools and education, zoning and land use including future plans and development, transportation, beautification, parks and recreation, public safety including Police, Fire and Code Enforcement.
