Become an active participant on the Mission Hills Neighborhood Council; make your opinion count

The neighborhood council Board of Governors needs your help in participating more actively with the neighborhood council.

Your feedback and advice helps in framing the discussions and policies of the council. It is imperative that you participate in this process, otherwise, deci-

sions tend to be made by a few people instead of a more broader stakeholder base.

We encourage all of you who have been reading our newsletters to sign-up for our weekly email calendar. It's simple and convenient at www.mhnconline.org. Click on the "Join our

Email List" tab and type in your contact information.

You can participate by attending meetings as a stakeholder or by participating on any of the committees that comprise the board. Mission Hills is your community, your home, and your voice should be heard.

MHNC Board Seeking Co-Chairperson for the Outreach Committee

The Outreach Committee is seeking a Co-chairperson to take a **very active role** on the committee. The co-chair will:

- preside over quarterly committee meetings
- attend monthly board of governors' meetings
- reach out to stakeholders to increase participation in MHNC
- coordinate outreach activities such as movie in the park night
- other responsibilities as required

This position is a great public service position for anyone considering entering politics or nonprofit work.

It is also a wonderful position if you are retired and want to be involved in your community.

If you are interested, please send an email to jneiman@mhnc.org.

UPCOMING MHNC BOARD OF GOVERNORS & STAKEHOLDERS' MEETINGS

(All meetings are held at the Mission Community Police Station, 11121 Sepulveda Blvd).

The Board of Governors has its meeting on the 1st Thursday of each month at 6:30 p.m. We both encourage and welcome your participation at these meetings.

The Mission Hills Neighborhood Council would like to extend an opportunity to the community to submit information pertaining to Mission Hills to be published in upcoming newsletters or listed on our website. The newsletter is delivered to nearly 8,000 addresses in Mission Hills. Have your voice heard - submit your news or suggestions at www.mhnconline.org.

Make one of your resolutions for 2011 to become more involved in your community by becoming active with the Mission Hills Neighborhood Council.

Welcome Roger Lovil, newest member of ZALUC

Mission Hills Neighborhood Council to Honor War Era Vets

Mission Hills wants to honor our local War Era Veterans, living or deceased! We are creating a special section at the MHNC website dedicated to our brave neighbors. It will feature an Honors Roll, as well as an area for news and resources.

If you, a family member, or close friend served our country in an armed conflict please send us your information: name, rank, branch of service, which war or conflict, photo (if avail-

able), and any other brief information (medals earned, etc.).

If you are a Veteran, and have important news to share with your fellow Vets, or have an issue that the MHNC Board may be able to help you with, send it to us!

Send your submission to jneiman@mhnconline.org
